

Public Education HEALTH TRUST

The second year of our Go365 Healthy Schools Wellness program is already underway. If your group did not earn the goal or participate last year, it's not too late to sign-up for this year's program. Your group could benefit from a 2% reduction in premiums in FY22 simply by taking advantage of the Go365 program already offered to you!

Leadership Expectation

- Assign Wellness Champion and provide contact information to the Trust with your renewal form
- Assign contact to receive monthly participation statistics and provide contact information to the Trust with your renewal form (can be same as Wellness Champion if desired)
- Send a minimum of six (6) written/electronic communications about Go365 to all employees March 1, 2020 through February 28, 2021

Wellness Champion Expectation

- Attend 80% of monthly calls March 1, 2020 through February 28, 2021

2nd Year Go365 Participation Requirements

October 1, 2019 - September 30, 2020

- 50% of all enrolled employee/family units to reach Bronze Status
- 10% of all enrolled employee/family units to reach Silver Status or above

While the above requirements are already underway, if all above criteria is met by February 28, 2021, your group will qualify for a 2% reduction in medical premiums for FY22.
