If you could live in one era of history, what would it be and why? Make references to historical facts in your writing.

**OR**

2020 was a tumultuous year with the pandemic, the endeavor for Mat-Su to keep schools open, on-line learning, the worldwide Black Lives Matter Movement, the elections, the various natural disasters, and the loss of our typical activities and contacts with others. Be a historian leaving evidence for future generations and explain what 2020 was like for you. Make references to historical facts.
